  1. Second: Alice Lloyd 1
- B. **President** | "The motion is to postpone consideration of the proposed amendments until the October 30 meeting. Is there any discussion? Seeing none, we'll proceed to vote. All in favor? Opposed? [Pause for vote.] The motion passes. The amendments will be considered on 10/30. The VPOI will now provide an introduction to the six amendments."
  1. VOTE: Favor: 17 Opposed: 0 Abstain: 0
- C. Introduction:
  1. [69-01 - "Resolution to Modify, for Document Consistency, the Language in Bylaw Section 2.4: Vice President for Internal Relations."](#)
    - a) **VPOI** | "I am introducing this amendment because when the Vice President of Marketing position was split into the Vice President of Internal Relations and the Vice President of Outreach Initiatives the language used to make the amendment did not match the rest of the Bylaws in its level of formality. I would like to yield to the EVP for her endorsement."
    - b) **President** | "The Chair recognizes the EVP."

- c) **EVP** | “I have reviewed the proposed amendments. I endorse them because [brief reason].”
  - d) **President** | “Thank you. The chair now recognizes the VPOI to introduce the next amendment.”
- 2. [69-02 - “Resolution to Modify, for Document Consistency, the Language in Bylaw Section 2.5: Vice President of Outreach Initiatives.”](#)
  - a) **VPOI** | I am introducing this amendment because when the Vice President of Marketing position was split into the Vice President of Internal Relations and the Vice President of Outreach Initiatives the language used to make the amendment did not match the rest of the Bylaws in its level of formality. I would like to yield to the EVP for her endorsement.”
  - b) **President** | “The Chair recognizes the EVP.”
  - c) **EVP** | “I have reviewed the proposed amendments. I [endorse/do not endorse] them because [brief reason].” (or) “I have also submitted an alternate proposal which I encourage you to consider.”
  - d) **President** | “Thank you. The chair now recognizes the VPOI to introduce the next amendment.”
- 3. [69-03 - “Resolution to Modify, for Document Consistency, the Language in the Bylaws, Specifically Regarding Acronyms and the Appropriate Use”](#)
  - a) **VPOI** | I am introducing this amendment because as the Bylaws have been amended throughout the years, some of the acronyms were not updated to reflect those changes. I would like to yield to the EVP for her endorsement.”
  - b) **President** | “The Chair recognizes the EVP.”
  - c) **EVP** | “I have reviewed the proposed amendments. I [endorse/do not endorse] them because [brief reason].” (or) “I have also submitted an alternate proposal which I encourage you to consider.”
  - d) **President** | “Thank you. The chair now recognizes the VPOI to introduce the next amendment.”
- 4. [69-04 - “Resolution to Modernize and Clarify Executive and Committee Responsibilities in the Bylaws”](#)
  - a) **VPOI** | I am introducing this amendment because as the Bylaws have been amended throughout the years, many of the responsibilities of the Executive Board and Committees were not updated to reflect those changes. This caused a lot of conflicting statements to appear in our

governing documents. I would like to yield to the EVP for her endorsement.”

b) **President** | “The Chair recognizes the EVP.”

c) **EVP** | “I have reviewed the proposed amendments. I [endorse/do not endorse] them because [brief reason].” (or) “I have also submitted an alternate proposal which I encourage you to consider.”

d) **President** | “Thank you. The chair now recognizes the VPOI to introduce the next amendment.”

5. [69-05 - “Resolution to Modernize and Clarify the Manner in Which Returner Assembly Representatives are Elected”](#)

a) **VPOI** | I am introducing this amendment because we have been using the secondary method for choosing Returner Assembly Representatives for a while, and I believe it should be changed to the primary method. Additionally, the reason we changed to this method is because the housing dates have moved, and it would be logistically difficult to keep this process as an election. I would like to yield to the EVP for her endorsement.”

b) **President** | “The Chair recognizes the EVP.”

c) **EVP** | “I have reviewed the proposed amendments. I [endorse/do not endorse] them because [brief reason].” (or) “I have also submitted an alternate proposal which I encourage you to consider.”

d) **President** | “Thank you. The chair now recognizes the VPOI to introduce the next amendment.”

6. [69-06 - “Resolution to Amend Bylaw Section 6.1 to Reflect Current Assembly Agenda Practices and Include the Guests of Assembly Process”](#)

a) **VPOI** | I am introducing this amendment to update the required sections on the Assembly agenda, including adding Guests of the Assembly, since they were not added when we began including them. I would like to yield to the EVP for her endorsement.”

b) **President** | “The Chair recognizes the EVP.”

c) **EVP** | “I have reviewed the proposed amendments. I [endorse/do not endorse] them because [brief reason].” (or) “I have also submitted an alternate proposal which I encourage you to consider.”

d) **President** | “Thank you. These amendments will be considered at the 10/30 meeting. The floor is open for clarifying questions only”
