

University of Michigan Residence Hall Association

October Report

HALL NEWS:

Lots of unexplained fire alarms throughout Baits recently...they served as a nice halloween weekend wake up call.

LAST MONTHS EVENTS:

Our event on October 24th was a huge success! We hosted a screening of Coraline. Great turnout and lots of fun! Input for the movie selection was collected via a Google Form distributed to residents. We also asked for suggestions for our November event in that form!

NEXT MONTHS EVENTS:

Our November event is called the **B² Brownie Bash!** It will be on Sunday, November 16th from 7-8pm in the Coman Lounge. We're catering brownies and frosting from MDining to do some festive decorating! in the Thieme Theater and catered donuts and cider from MDining.
