

# University of Michigan Residence Hall Association

## October Report

### HALL NEWS:

Pushing merch out for all EQ residents soon

### LAST MONTHS EVENTS:

East Quad's Fright and Bite night, received attendance from many residents who popped into the Abeng Lounge for some candy, cotton candy, and popcorn on 10/30/25.

**NEXT MONTHS EVENTS:** We are excited to hold a Thanksgiving event centered around gratitude, specifically having residents create handwritten letters and having Hall Council deliver them through the mail. We are also thinking of having some food, perhaps pie, cider, etc, although this month's event is still very much in its preliminary planning stages.
