

University of Michigan Residence Hall Association

October Report

HALL NEWS:

We wrapped up last month with our first Hall Council event! The event went well and we had a good number of residents attend. During our event we also put a whiteboard out to collect feedback about residence preferences, and we are incorporating that into our next events. We have planned our November event which is going to be cookie decorating November 18th. We have also started planning what we want to put in our study bags for our residents in early December, this will be our "event" for the month. We also filled out a dorm improvement request to get lines painted out the outside basketball court as we have noticed many residents using it and drawing chalk for lines. Finally, we are also discussing buying a few new pool sticks for the pool table because some have been broken.

LAST MONTHS EVENTS:

Ox-tober!! It was 8:00-9:30 pm on October 28th, and went very well!

NEXT MONTHS EVENTS:

November cookie decorating. It will take place November 18th from 8-9pm in Ghandi Lounge. There will be Hot Chocolate, milk, and cookies with frosting to decorate! The flyer is in the process of being made.
