## November Report

### **HALL NEWS:**

We did unfortunately lose our Hall Director a couple weeks ago and are operating under an interim director currently. It has been an adjustment for sure, but not unmanageable.

### **LAST MONTHS EVENTS:**

Our event on November 16th was a success! We catered brownies and frosting from Bursley dining, purchased food coloring and sprinkles, and set it all up in the Coman Lounge. We had a decent turnout. It was simple for our council to set up and take down and was well-received by residents and RAs!

### **NEXT MONTHS EVENTS:**

We have opted not to do a December event due to budget and time constraints. We are currently brainstorming our January event and have some suggestions from residents!
