

# University of Michigan Residence Hall Association

## November Report

### **LAST MONTHS EVENTS:**

We held our November event mid November which was cookie decorating with hot chocolate and it was fun. For December we purchased all our materials for exam study bags and put them together during our last hall council meeting. We plan on setting them out the week of December 8th for our residents in Oxford. We also just received our merch that we purchased so we plan on incorporating it into an event next semester.

### **NEXT MONTHS EVENTS:**

Since it is exam season we put together study bags for our residents with fidgets, gum, mints, candy, and goldfish. We will put them out in the lounges for the residents to take one.
