

University of Michigan Residence Hall Association

January Report

HALL NEWS:

This month, we just celebrated Valentine's Day with our residents through a fun and festive event filled with creativity and connection. Residents enjoyed decorating cookies, making Valentine's Day cards, and picking up their themed Alice Lloyd merchandise. It was a sweet way to spend time together and spread some love around campus.

NEXT MONTHS EVENTS:

Looking ahead to next month, RHA Hall Council is hoping to host a Stuff-A-Plush event and also collaborate with our RAs on an Ice Cream social. I'm currently coordinating with them to finalize details.
