

# University of Michigan Residence Hall Association

## February Report

### **HALL NEWS:**

March, we did not host an event as residents were returning to campus from winter break.

### **NEXT MONTHS EVENTS:**

Looking ahead to April, RHA Hall Council is planning a spring event designed as a sendoff for residents. The event will include a plushie-stuffing activity, ice cream, and a raffle with prizes. As the semester comes to a close, this program aims to provide residents with an opportunity to relax, connect with one another, and celebrate their community.
