

University of Michigan Residence Hall Association

March Report

HALL NEWS:

Things are going smoothly!
Our new hall director, Jenna, is lovely and very supportive.

OTHER NEWS:

In the past month we've been able to hand out all of our hall merch (sweatshirts); those events were very successful and residents really enjoyed the apparel!

LAST MONTHS EVENTS:

We hosted a movie night, showing Paddington, in the Thieme Theatre on March 29th. We catered food from Bursley.

NEXT MONTH EVENTS:

With the remainder of our yearly budget, we are doing some "high cost, low labor" activities that will be simple for us but also appealing for our residents! On Saturday the 18th, we're catering sushi and handing it out to residents. We have also ordered lots of supplies to restock our community pantry. We are also a little bit involved with Bursley's 'North Campus Dormal', happening next weekend. They've done a great job putting it all together, and we will be there to offer support!
