

University of Michigan Residence Hall Association

February Report

HALL NEWS:

For February we were considering ice skating at Yost ice area, however no times aligned with when the council was available to host an event. So we had a Mardi Gras celebration with games, a kahoot for prizes, and cupcake decorating!

LAST MONTHS EVENTS:

In January, we passed out Oxford Merch which were drawstring and tote bags. We did this along with having pizza and it was nice to see residents come get their bags and enjoy pizza while chatting with their friends.
