

University of Michigan Residence Hall Association

March Report

HALL NEWS:

Our last event is coming up this April, and it is exam goodie bags, similar to what we did last term. We plan on adding a few snacks, fidgets, gum, mints, among other things to the rest of our Oxford merch bags and placing them in our community center for residents to come grab as they prepare for final exams.

The Oxford dining hall, Twigs, is also closing on April 28th, so as a hall council we plan to buy a few breakfast bars and small snacks for individuals to grab in a hurry before class or as a snack before they walk to MoJo or another dining hall for breakfast.

Also, one of our initiatives last term was approved. This included having lines painted on to the basket ball court at Oxford Houses and it will be done this Summer!

LAST MONTHS EVENTS:

In March, we had a Kona Ice Truck come and park outside by the building for our residents to come take a break, enjoy a kona ice, and hang out with friends. The event was a hit!
